Dear Sir

Amended Change of Director's Interest Notice - Peter George Edward Fitch

Further to the Change of Director's Interest Notice for Peter George Edward Fitch released earlier this afternoon, please find attached an amended notice.

This amended notice contains the information now required to be included within Part 3 in relation to trading within Closed Periods. All other information in the notice remains unchanged.

Yours Faithfully

Colin Anderson
Chief Financial Officer and Company Secretary

About Austin Engineering: Austin Engineering Limited is an engineering company with manufacturing facilities in Australia, the USA, South America and the Middle East. The Australian facilities manufacture, assemble, repair and maintain (on and off-site) products used in the mining and resources sector. Key product lines include dump truck bodies, large service vehicles, excavator buckets, materials handling equipment, mineral processing equipment, industrial radiator and cooling products as well as large structural steel projects. The USA facility (Westech) based in Casper, Wyoming, services the North and South American mining markets and is an industry-leading designer and manufacturer of specialised lightweight dump truck bodies. The Chile operation (Austin Engineering Chile) manufactures dump truck bodies and other mining products for the South American market. The Middle East operation principally services the aluminium smelter industries in the region. Austin also own rights to innovative welding processes which have been introduced to improve welding productivity. Robotic welding systems are also used for product lines, general fabrications and repetitive production processes.
